

MINIPLLEAT FILTER

Comes in three different packs...

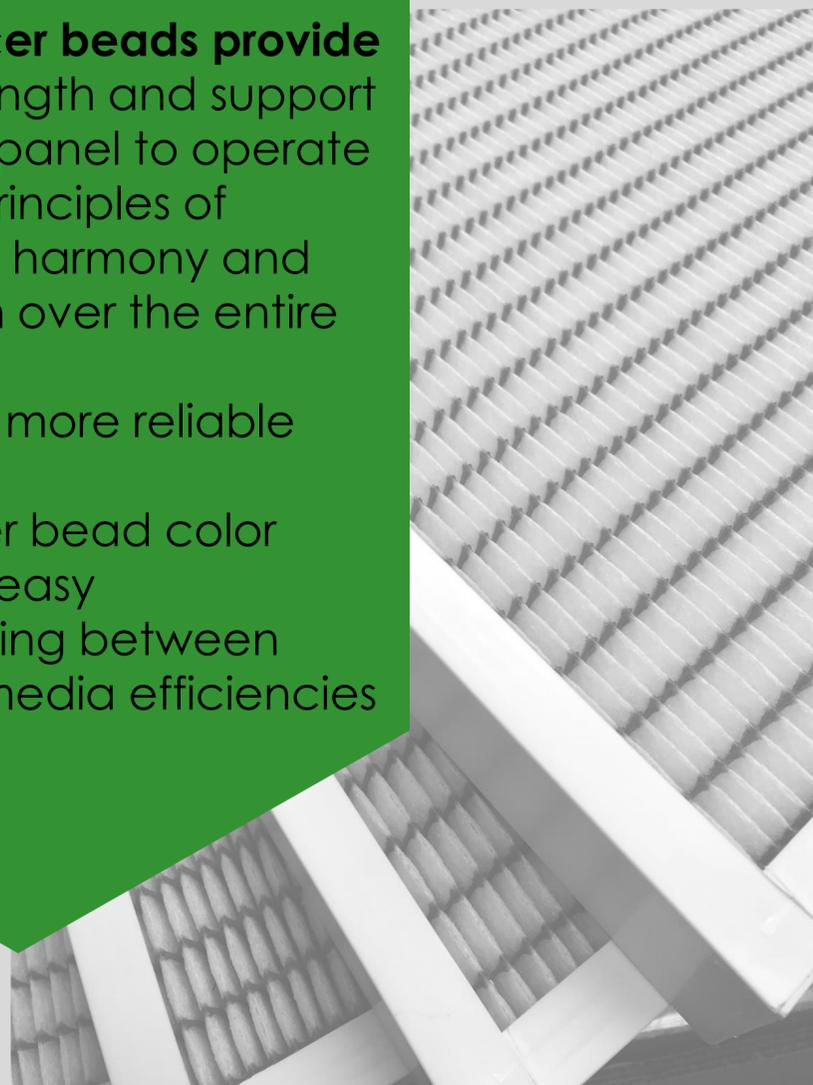

1 in

2 in

4 in

The unique spacer beads provide

- Better strength and support
- Allow the panel to operate with the principles of filtration in harmony and perfection over the entire surface
- Creates a more reliable filter
- The spacer bead color allows for easy distinguishing between different media efficiencies

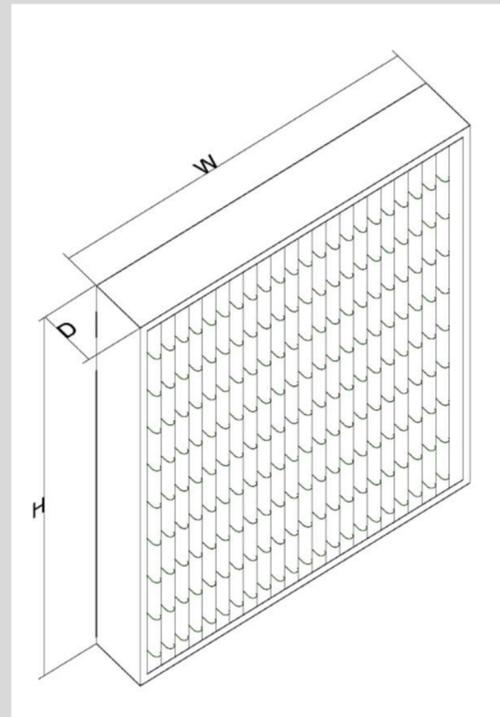

MINIPLLEAT FILTER

- ❖ Media and spacer beads are 100% polypropylene
- ❖ Media is a single web. Non-shedding, gradient density
- ❖ Pleat spacer thermally bonded to both sides of media, color coded by efficiency
- ❖ Durable hard plastic frame
- ❖ All filter components are anti-microbial by nature
- ❖ Waterproof construction

MINIPLEAT FILTER: 1 inch

Item code	Color	MERV Rating
SMP-11AT	BROWN	Merv 11
SMP- 60	GREEN	Merv 12
SMP-80	RED	Merv 13
SMP-90	WHITE	Merv 14
SMP-95AT	WHITE	Merv 15
SMP-98AT	WHITE	MERV 16
